EXPLANATION OF LEGEND ITEMS

Roads Open to Highway Legal Vehicles Only:
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

Roads Open to All Vehicles:
These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use but are used to traverse or overweigh vehicles under state traffic law.

Trails Open to All Vehicles:
These trails are open to all motor vehicles, including both highway legal and non-highway legal vehicles.

Trails Open to Motorcycles Only:
These trails are open only to motorcycles. Sidecars are prohibited.

Special Road Or Trail Vehicle Designation:
These roads or trails are open only to motor vehicles less than 62 inches in width with the widest point on the vehicle.

Seasonal Designation:
This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal Table for further instructions.

Dispersed Camping:

- Dispersed Camping, Both Sides
- Dispersed Camping, Left Side
- Dispersed Camping, Right Side

 This symbol is used along with a designated road or trail to indicate limited cross-country travel is allowed within a specific distance of that route, solely for the purpose of dispersed camping. The table indicates where the activity is permitted. They may be on the left, right, or both sides of the route. Refer to the Dispersed Camping Table for specifics.

Other Public Roads:

- Interstate
- Highway, U.S. State
- Other Public Roads

 These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connectors to towns and cities outside the forest boundary.

Motorized Trail Access:
This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.

Short Route Identifier:
This symbol is used for roads that are too short to show a symbol on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information.

Areas Open to Cross-Country Travel:
These are areas on National Forest System land that allow cross-country travel by motorized vehicles.

Camping and/or Campfire Restrictions:
These are areas on National Forest System land where camping and/or campfires are prohibited. See the Coconino National Forest website for additional information on these Forest Orders.

Special Notices

- Areas open to Cross-Country Motorized Uses - The Cedar Hills OHV Area (located on the North Half of the NW 1/4) is open to all motor vehicles year round. There are no other areas on the Forest with this designation.
- Camping - Motor vehicle use for the purpose of dispersed camping is permitted only on National Forest System lands within 300 feet of the edge of road segments designated for dispersed camping. Visitors may park along the edge of any road shown on this map, and walk to dispersed campsites at any location on National Forest System lands, unless specifically prohibited. Prohibited locations include those within the city limits of Flagstaff or Sedona, along Oak Creek Canyon, and within the Purmehouse Wash Closure area near Kaibab Village. Visit <http://www.fs.fed.us/govt/csc> for a complete list of prohibited camping locations. Remember to park vehicles just off of the traveled portion of roadways to permit the safe passage of through traffic.
- Elk retrieval - When an elk has been legally taken in Game Management Units 6A, 6B, 7E, 7F, and 8, the individual who legally took the animal may drive, or be driven to, the downed elk. Under no circumstances may a second vehicle be used to retrieve the animal. The vehicle used to retrieve the elk may be operated off of designated routes on non-wilderness National Forest System lands to one mile from designated routes in areas not closed to motor vehicle use on National Forest System lands, and in a manner that does not result in unacceptable resource damage under 36 CFR Part 221. A map illustrating where off-road motorized elk retrieval is allowed can be viewed or downloaded here: <http://www.fs.fed.us/govt/csc>. In addition, information on Forest Closure Orders will be available at all Coconino National Forest offices during elk hunting season. Motor vehicle use off of designated routes is not allowed for game retrieval on these areas, including elk, in game management units 5A, 5B5, 5B6, or 71.
- Roads in developed campgrounds and other developed sites - All roads in developed campgrounds are designated for highway legal vehicles only. Other developed sites, such as surfaced parking areas, developed dispersed campsites (includes ground surfacing and signage), and trailheads may be accessed by vehicles even when not shown on this map.
- Sensitive areas - Motor vehicle use off of a forest road or trail for purposes of camping or game retrieval shall not occur riparian areas, streams, and rivers except at hand-dug crossings with existing culverts. Motor vehicle use off of a forest road or trail may not occur in areas that are galled and/or forested, and signed as closed when it is shown as designated on the map.
- Canner Mountain Trail - Canner Mountain Trail (Trail No. 6) is designated as a motorized trail with very rugged conditions along a narrow ridge with limited opportunity for two-way traffic. For vehicles > 62" in width, the route is open year-round and no permit is required; there is a permit to go around existing gates at each end. For vehicles < 62" in width, free permits are available from the Red Rock Ranger District from mid-May through mid-October each year. No more than one permit will be issued per calendar week.
- Designated roads are subject to wet weather or winter road closures, or may be temporarily closed due to project-related work, emergency activities, or firefighting operations. Winter weather closures generally occur in higher elevations starting with the first substantial snowfall in late December and can last until mid-April. Please check the Coconino National Forest website for the latest information about status of roads.
