## U.S. National Forests and Grasslands

### Maximum Limits Per Stay for Dispersed Camping

Forest or Grassland	State	Length of Stay	Official Rule Text	Date Rule Established	Source
<b>Medicine Bow NF</b>	WY	16 days	Persons or organizations may not camp, store equipment at, or otherwise occupy any single location in a non-developed dispersed campsite more than 16 days, within any period of 30 consecutive days. After 16 days the persons and all camp equipment, gear, and supplies must be moved at least 3 miles in distance from the previous location if they wish to re-establish a campsite on National Forest System lands. No camping in a dispersed area more than once during any 30 day period. No persons or associated group may use the same campsite that they have vacated within the 30-day period. Once vacated, regardless if camped at a site less than the 16 day maximum period, a person or associated group cannot return to the same campsite within a 30 day period from the date of their last night of camping.
